

What's Happening?

Reading For the third quarter, we will work on pollinators. We will learn the different parts of the plants and different ways plants are pollinated. There are three ways to pollinate a plant: cross- pollination, self pollination and wind pollination. Students will read non-fiction text to support this unit.

What can you do at home?

- Read books about different pollinators and plants.
- Practice the ACE strategy at home. For second grade we are using the A and the C.
- ACE stands for A- Answer, C-Cite, E-Explain

Writing at Home: Students can read a fiction book and then choose one question to practice throughout the week:

- Pick one character trait and give details from the text to support your reasoning. My character has _____ trait.
- Choose a phrase in the story and have the students explain it.
- Describe how the character feels
- Explain why the author wrote this book and give examples from the text to support your reasoning.
- What lesson did the character learn?
- Describe two or more affects....

Math: We are wrapping up arrays. We are getting ready to work on mental math

strategies and adding up to four two digit numbers.

- Explain addition using place value:
https://learnzillion.com/lesson_plans/6822-explain-addition-using-place-value/
- Add up to four 2 digit numbers

https://learnzillion.com/lesson_plans/4998/

Videos to use for ongoing practice***Videos for addition and subtraction:***

- Place Value Strategy for 2 digit addition:
<https://www.youtube.com/watch?v=59rEN5-y8sA&list=PLNDkuWRw1gGRpuFSgmHjf07KamFfig8Gz&index=106>
- Decomposing a Number to Make a Ten for 2-Digit Addition
<https://www.youtube.com/watch?v=bj9TvS74a9Y&list=UUQaTtYud6Lv2fAQEYpOSPnw>
- Math 2-Digit Addition Using a Number Line
<https://www.youtube.com/watch?v=UYJMGp94CkQ&list=UUQaTtYud6Lv2fAQEYpOSPnw>
- Addition using a hundreds board:
<https://www.youtube.com/watch?v=J10YSF-670w&list=UUQaTtYud6Lv2fAQEYpOSPnw>
- Expanded Method:
<https://www.youtube.com/watch?v=H1qvEKo7OF8&list=UUQaTtYud6Lv2fAQEYpOSPnw>
- Show all totals:
https://www.youtube.com/watch?v=Qr_g09V6sHo&list=UUQaTtYud6Lv2fAQEYpOSPnw
- Place Value Strategy for subtraction:
<https://www.youtube.com/watch?v=WIAYOJrXOBU&list=UUQaTtYud6Lv2fAQEYpOSPnw>
- Subtracting using a number line:
<https://www.youtube.com/watch?v=0ABI7UFDg2o&list=UUQaTtYud6Lv2fAQEYpOSPnw>
- Subtraction using a hundreds board:
<https://www.youtube.com/watch?v=wHviiHnYRc&list=UUQaTtYud6Lv2fAQEYpOSPnw>

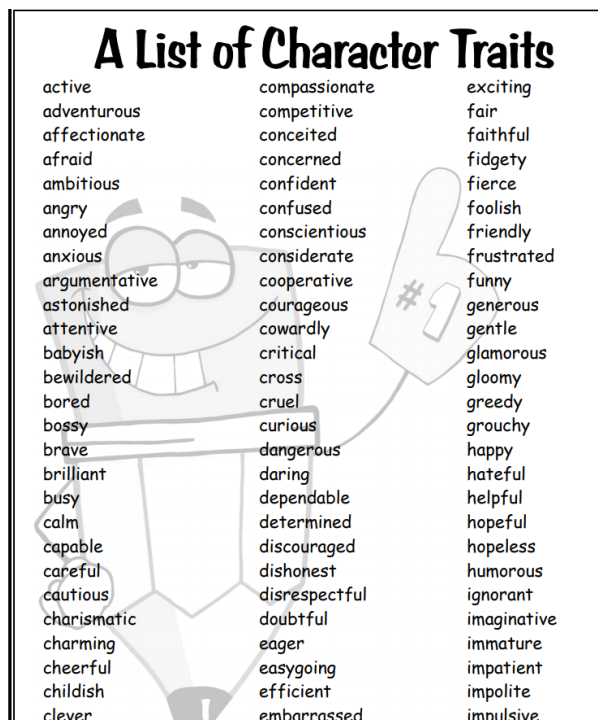

Social Studies

We are working on air, land and water pollution. We will also discuss maps and using a compass rose for location (north, south, east and west). One way to remember the directions is to say Never Eat Soggy Waffles.

Science:

We will talk about the life cycle of animals and genetics.

Use this list of character traits to help students identify different traits as they encounter different situations and/ or when reading a story.

Thank you!

A hearty THANK YOU! To everyone who has volunteered and donated this year! We appreciate your support!
