What's Happening?

Reading: This month we will work on answering questions using key details. We will use the non-fiction text titled, **Off to Class**. We will focus on three passages: Protecting the Amazon, Out of the Rubble and Water, Water, Everywhere. Later the students will compare and contrast how two schools are the same and different. The students will also work on writing.

Math: We will wrap up our focus on one and two-step word problems. Next we will focus on odd and even. For example: *Is 15 an even number? Explain your reasoning with counters, pictures, numbers or words.*
