

Update

Wake Relief Community Project/ Field Trip

We have been working on communities and citizenship in social studies and reading. Second grade is tentatively scheduled to go to Wake Relief in October to support this unit. We will begin collecting food on **September 25th**. Please consider donating items like pasta, canned goods, baby diapers, baby food. More information is coming soon.

Wake Relief Poster Help

We need a few parents to make posters to promote our food drive. We will hang the posters throughout the school. If you are available to come to school to make a poster (or you can make it at home if you would like), please email me and let me know which day is best for you. We have markers and poster board so you do not need to buy anything.

Wake Relief Boxes

We also need empty boxes in good condition so that we can store our food collection.

Wake Relief Thank you

Thank you in advance for supporting this project.

Picture Day

Wednesday, October 11th

Literacy

For the next few weeks we will continue with the following:

- Ask and answering questions using who, what, where, when, why and who.
- Use information from the illustration to demonstrate understanding of the characters setting or plot.
- Practice speaking skills by participating in conversations and following agreed upon rules for discussion (gaining the floor in respectful ways, listening to others with care and speaking one at a time)
- We are going to read the Invisible Boy by Trudy Ludwig and do some activities. Here is the link to the read aloud version. Please feel free to listen to it so that the students are familiar with it.

Math

We will continue to work on fluently adding and subtracting. We will also look at word problems. To find more addition and subtraction videos, go to my website, click on the resources tab, scroll down to the bottom and you'll see addition and subtraction videos.
